Summer Reading for Incoming Sixth Graders

While you are on summer vacation, visit your local library or bookstore and review some books by the following authors. Choose 2 books that interest you written by these authors and read them. You should write a brief summary as you finish each chapter for one of the books. This will assist you in recalling information for the project you will be assigned when you return to school in September. The other book can be read for pleasure. Please bring in a signed paper with the title of the second book you read.
